

Application No. 09/635,935; Confirmation No. 6337

**REMARKS**

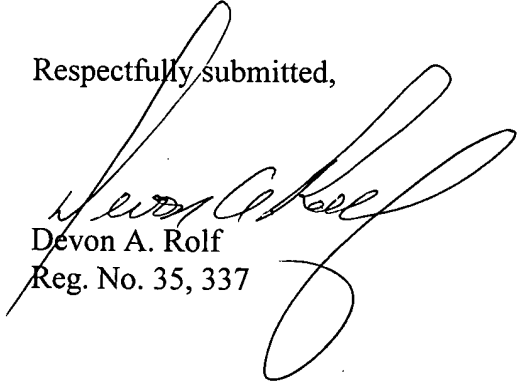

In the Office Action dated February 15, 2007, claims 1, 2, 5-8, 13, 15-22, 26, 28-31, 36, 38-45, 49-51, 54-57, 60-65, 67-80, 89 and 90 are indicated to be allowable and claims 81-88 stand rejected.

Applicant hereby cancels, without prejudice, claims 81-88. Applicant also noticed that the word "of" was missing from claim 60, so applicant amends claim 60 to add the word – "of"– which was inadvertently omitted previously.

Applicant has amended the title per the guidance of the MPEP by deleting the first word "A" and also deleting "System and Method" to make the title more descriptive of the claimed invention. The title now reads – Device for Making a Transaction Via a Communications Link–.

Accordingly, it is believe that this application is in condition for allowance and such action is respectfully requested.

Respectfully submitted,

Devon A. Rolf  
Reg. No. 35, 337
